Xafinity wins TPA award at PIPA 2009

Xafinity Paymaster scooped the “Third-party administration provider” award at last night’s Pension and Investment Provider Awards ceremony held at the Sheraton Park Lane Hotel.

The competition in the category was tough; Xafinity Paymaster came out on top from a shortlist of nine competitors in the industry including, Capita Hartshead, Mercer and MNPA to name a few.

Xafinity Paymaster Director, Robert Branagh, commented:

“Xafinity has been extremely successful this year, not just with the number and quality of new business wins but also with the innovations we have delivered to clients, particularly in the TPA market.

Our commitment to best practice TPA and our ambition to be the leading player in public and private sector pensions administration has been reinforced tonight with this award.”

This is the second year running the Xafinity has received an award at the PIPA Awards.
