

## Media Release

12 January 2010  
For immediate release

### Diary Date:

## TPR guest speaker at Xafinity seminar “Improving Data Quality - Reducing Scheme Risk”

The Pension Regulator’s theme specialist, pensions administration and governance, Bob Jackson, is the guest speaker at Xafinity Claybrook’s breakfast seminar entitled “Improving Data Quality – Reducing Scheme Risk” to be held on 4th February 2010 in Central London from 8.30am.

Xafinity invites Pension Managers, Trustees and Administrators to the breakfast seminar to debate the growing challenge of data quality in the context of buy-outs, buy-ins, changing scheme arrangements and increased member engagement.
