

## Delivering innovative actuarial services

# Helping organisations meet the challenges of actuarial resourcing with market leading expertise

Hazell Carr provides organisations access to the largest pool of actuarial talent in the industry. Our team of associates, ranging from former Appointed Actuaries through to students, represent a diverse range of skills and expertise.

Our robust and flexible business model allows us to deliver resources at exceptionally short notice, for periods of a couple of days, weeks or years. The rigorous selection process which each member of our team undergoes ensures we continually match the right people with the specific requirements of every company.

Hazell Carr's unique heritage as a specialist in actuarial education has resulted in the provision of services today which lead the market in quality and technical expertise.
